

To contact Dr. Klinghardt for an appointment, please call Comprehensive Medical Center in Kirkland, WA at (425) 823-8818.

Dr. Klinghardt's schedule is booked out for a long time, so if you cannot make an appointment to see him, please look at our referral list, which is located on this website. Many practitioners across the country have trained with Dr. Klinghardt and are accepting new patients.

If, after looking at the referral list, you have questions, please call Eve Greenberg, Director of the **Klinghardt Academy of Neurobiology** at (303) 499-4700, or email info@klinghardtneurobiology.com, and Eve will be happy to assist you.
