FOR PATIENTS: The Klinghardt Academy of Neurobiology receives many calls and emails requesting referrals. Below is an updated list of practitioners. The practitioners listed below have attended seminars offered by Dietrich Klinghardt, MD, Ph.D. They are neither certified nor endorsed by the Klinghardt Academy of Neurobiology. We recommend that you personally research and interview each practitioner yourself.

FOR PRACTITIONERS: The page is a work in progress. If you are a practitioner and do not see your name below, please contact us at info@klinghardt.org, or call us at (303) 499-4700 with your name, address, and how you may be reached by patients. Please also let us know which seminars you have attended and approximate dates of attendance. We receive many requests for referrals. We encourage you to add your name to the list.
